Rice Pond Village Board of Appeals

Although I do not live in the area of the proposed development of Rice Pond Village, I am a longstanding resident of Millbury and care deeply about our town and the potential negative impacts this development may bring, not just to this development but any future ones that may be planned.

I encourage everyone on the Board to take a ride to the Rice Pond neighborhood. It is truly an eye opening experience. The road is so very narrow, it's hard to imagine any increase in traffic or god forbid the needs for fire apparatus.

It is hard to imagine how the proposed building would fit into this very quiet neighborhood.

Safety should come first. A lot needs to be done to construct appropriate roads and aesthetics to the neighborhood.

The established neighborhood's residents should have a say and the Board should listen and act in regards to this and any future developments.
