Hi Conor,

Hope this finds you well. We wanted to reach out asking for you and the Board of Appeal's consideration in requesting, or requiring, the developer's traffic engineer present at an upcoming meeting for the proposed 40B development at 17 Rice Rd.

With the proposed scale of the project and subsequent additional vehicles this would add along with considering the previously stated road safety concerns about this project having the engineer present to answer questions seems important to this proposal.

Having lived on Rice Road over 8.5 years there has been a noticeable increase already in both foot and vehicular traffic.

Thank you for consideration,
Matt and Lisa Quinn
5 Rice Rd
